

Printing Instructions for Booklet

Choose which booklet to print– either the fill-in-the-blank or the blank journal.

The booklet is meant to be printed using double-sided printing. Choose the following print settings:

- Actual Size
- Landscape Mode
- Print on Both Sides of Paper
- **Flip on Short Edge**

Print the second page in this document for a cover for either journal.

Fold the booklet and cover in half and attach as you desire. You could sew down the middle or punch two holes and tie with a ribbon or a piece of twine.

Forty-Day

EASTER JOURNAL
